**mpox**

## **Advisory for travellers to at risk countries**

**mpox circulates actively in Africa  
and particularly in the Democratic Republic of the Congo (DRC),  
Rwanda, Uganda, Burundi, the Republic of the Congo,  
the Central African Republic and Kenya**

**If you are traveling to these areas,  
follow health precautions**

such as regular hand washing and avoiding close contact with people infected with mpox or those who have a skin rash that looks like mpox, with animals infected with mpox (rodents) and with potentially contaminated objects (such as clothing, bedding or tableware used by infected people).

**Travel to areas where mpox is actively circulating  
is not recommended for children, pregnant or breastfeeding women,  
or immunocompromised persons.**

**For any enquiry,  
call « mpox info service »**

**0 801 90 80 69**
